Γ α Σ
 @
 U A

A large, black, lowercase letter 'h' is shown on a set of three horizontal handwriting lines: a top line, a middle line, and a bottom line. The letter 'h' starts with a small circle at the top left, above the middle line. A vertical stroke descends from this circle to the bottom line. From the middle of this vertical stroke, a curved stroke goes up to the top line, then curves down to the bottom line, ending with a small hook.
